AFFILIATIONS

EXAMPLE: HPCSA 4444333221

If you have a Diploma or a higher qualification you must be registered at a South African Regulating body for the industry that you work in... This is law! You should be affiliated with a Governing body and have a registration number with them... this is what you mention here...

Where are you registered and what is your registration number? Medical personnel are normally registered at the Health Professions Counsel of South Africa (HPCSA)

Nurses are normally registered at the Nurses Counsel of South Africa (NCSA) If you are unsure where you should be registered, you can Google "South African Regulating Body for..... (industry)"

TEMPLATE!

NAME SURNAME

TITLE

EXECUTIVE SUMMARY

Age, years experience, skills, computer programs, availability, area
(All of the above must be written in paragraph format!)

QUALIFICATIONS

TERTIARY QUALIFICATION

YEAR OF COMPLETION

INSTITUTION WHERE QUALIFICATION WAS OBTAINED

All the qualifications you list must be listed underneath each other with the "highest" qualification at the top... working your way down from there. Please note that any computer courses DO NOT qualify as a qualification but rather a skill!

WORK EXPERIENCE

Company Name	Title in company	Time affiliated to company
--------------	------------------	----------------------------

Company Name	Title in company	Time affiliated to company
--------------	------------------	----------------------------

Only list the last relevant 10 years... List from most recent going back! If you have more than 10 years to list, just put a small footnote saying:
"More extensive Work Experience available upon request!"

Do NOT list all your responsibilities/what you have done in that company under the company name... This should be listed at the top under your skills!
